**Enabling a Digital and Intelligent Future,
J Hotel Shanghai Tower Launches Its First NFT Platform
"Jetaverse"
*The First NFT of the "J Moment" Series Goes Online***

(January 1, 2023, New Year's Day, Shanghai, China) – Today, J Hotel Shanghai Tower, one of the highest hotels in the world, launched the NFT platform, "Jetaverse", and became the first luxury hotel in China to launch an NFT platform. J Hotel Shanghai Tower, in cooperation with MetaWorks, aims to combine the virtual and real-world sensory experiences of the hotel's concept of an art gallery in the clouds. The NFT platform merges the concepts of blockchain technology and art enjoyment & luxury that guests personally experience and , and release them through the Conflux tree map blockchain, so as to present NFT with great collection value while retaining the eternal beautiful picture.

J Hotel Shanghai Tower combines the ancient and modern times, China and foreign countries, gathers the beauty of various arts, and gives guests a new vision of overlooking Shanghai. Starting from design, travel, life, food and wine, technology and service arts, it creates a private art house on the cloud to show the living experience with modern oriental characteristics. As one of the highest hotels in the world, J Hotel Shanghai Tower transcends traditions, looks forward to the future, and creates a unique experience for guests in the clouds. The launch of the digital collection platform marks the beginning of the hotel's exploration of future technologies in the context of the digital transformation in Shanghai and cutting-edge technology.

With the release of the "Jetaverse", the "First Sunrise of 2023 Captured From J Hotel Shanghai Tower" from J Hotel's first NFT series, "J Moment", was officially launched. The "J Moment" series aims to present the unique beauty in the high of the cloud and the important pictures with memorial significance that can be enjoyed at J Hotel Shanghai Tower, and to preserve the moment to forge an eternal memory. As the first NFT of the series, the "First Sunrise of 2023 Captured From J Hotel Shanghai Tower" recorded the first sunrise in Shanghai in 2023. It was shot from "Heavenly Jin", the highest restaurant in the building on the 120th floor of the hotel, at the top of Shanghai, with an
